

FLESHLIGHT® *Girls*™

Congratulations on your purchase of the Fleshlight® – The #1 Selling Male Sex Toy in the World!

Made from our patented Superskin™ material, the Fleshlight® is the most realistic sexual penetration simulator on the market. You can begin enjoying your Fleshlight® immediately by following the quick and easy instructions below.

(Optional) Remove the Superskin™ insert from the plastic case. Place it in hot tap water, warming the Superskin™ insert to the desired temperature. Lightly shake the excess water off and put the insert back into the Fleshlight® case.

1. Lubricate yourself, the orifice entry and internal canal of the insert with a water-based lubricant. **Use only water-based lubricants.** The use of other types of lubricants, such as oil or silicone-based, may deteriorate the Superskin™ Insert. Visit our Lubricants page on www.Fleshlight.com to view our recommended brands.
NOTE: Be sure to use enough lubricant to allow for comfortable use and to prevent friction which may cause skin irritation.
2. Use the Fleshlight® as you would during sexual penetration.
TIP: The small end cap of the Fleshlight® creates a suction on the back stroke. Tightening and loosening the cap will adjust the suction intensity.
3. After use, remove the Superskin™ insert from the case and run hot water through it to remove fluid deposits. For tough cleaning, we suggest using a small amount of isopropyl alcohol.
NOTE: Using soap or detergents to clean your Superskin™ insert will deteriorate the surface of the material!
4. Towel or air dry the Superskin™ insert and put it back into the case for storage. Excess moisture may generate mold. (Although not necessary, repowdering will restore the insert to its original silky feel. If you choose to powder, we recommend using corn starch.)

Thank you for your purchase! To maximize your Fleshlight® experience, visit us at www.Fleshlight.com and try our other available Superskin™ inserts, which come in a variety of textured internal sensations, colors and orifices. Special offers are posted frequently, so visit us often!
